PARISH GARDA VETTING 2019

As part of the ongoing implementation of our Parish Child Safeguarding Policy and in line with the Diocesan guidelines for Child Protection, we are required to update all Garda Vetting within the Parish by re-vetting all parish staff and volunteers.

This includes anyone and everyone involved in any working group within the parish, Ministers of the Eucharist/Word, choir members, folk group, parish shop workers, sacristans, family mass volunteers, altar servers supervisors, gardeners, hospitality group, etc.

The main reason for this is to ensure that we as a parish implement the Diocesan Child Safeguarding Procedure to the very best of our ability, but also to ensure the protection of the volunteers and staff, who work tirelessly within our church community.

Garda Vetting is now a normal procedure in any organisation both voluntary and work related, and is nothing to be concerned about. All information is treated in the strictest of confidence. The Vetting is only in regards to Child Protection - no motor offences etc will be shown up by this. We would appreciate it if all volunteers could collect a new form and return it to the Parish Office as soon as possible.

If anyone has any issues with completing the forms, please drop into the office during the week where we will be happy to help you out with the requirements.
